

NEW CENTENNIAL ELEMENTARY SCHOOL OPENS AT POWER RANCH

Centennial Elementary School has opened for the 2009-10 school year at Power Ranch in Gilbert. It is the second K-8 elementary school situated in the master planned community.

Located in the Higley Unified School District, Centennial offers state-of-the-art technology including interactive whiteboards in every classroom, laptops for teachers and two portable computer labs with 40 laptops to move between classrooms.

Enrollment is approximately 750 students.

In addition, 40 preschoolers are expected to attend a new half-day kindergarten prep program for 4- and 5-year-olds. An all-day gifted program for third- through fifth-graders is also offered.

Centennial Elementary is located in the northern part of Power Ranch, north of Germann and west of Power roads on Ranch House Parkway.

Power Ranch Elementary, which has an enrollment of more than 1,200 students, opened in 2002.

Located at Power and Germann roads, Power Ranch has approximately 10,000 residents and is known for its neighborly atmosphere, amenities and family-friendly activities and events. Four builders, including D.R. Horton, Richmond American, TW Lewis and Trend Homes offer homes in the northern section of Power Ranch.
